RESPONSE TO ATTORNEY GENERAL'S
MOTION TO DISMISS APPLICATION

*** ***** ***

Comes South Kentucky Rural Electric Cooperative Corporation ("South Kentucky"), by counsel, and tenders this response to the motion of the Attorney General to disapprove the application which was in the nature of an alternative argument in its response to South Kentucky's motion for a protective order, which response was served November 9, 2007.

South Kentucky's undersigned counsel has spoken with counsel for the Attorney General and has been advised that at this time the Attorney General waives the motion to disapprove the application in light of the recent rulings of the Commission granting the Attorney General's motions to intervene and extend the time for the filing of requests for information by the Attorney General upon South Kentucky. South Kentucky understands that this waiver applies only to the motion to disapprove the application as an alternative plea to South Kentucky's motion for a protective order and does not prejudice the Attorney General's right to argue for disapproval at a later date, if the Attorney General deems that course indicated.
